
Divan E Shams E Tabrizi Pdf Download

January 13, 2022 - "Divan" is dedicated to Shams-e Tabrizi, Rumi's beloved spiritual teacher, and contains many verses praising and mourning him. Here we find, in particular, the following: Oh dear, we, your friends, are not people, but your family. Don't you know there's nothing for you but love. If you repulse us, it means that you do not love us. You, O Shams, always and everywhere remain our brother. If you do something wrong, don't consider yourself wrong. After all, you are a kind, good and wonderful person. We, your friends, are not people, but your family. Don't you know that for you there is nothing but love.
